# GIVING CHRIST CONTROL

First Place 4 Health Bible Study Class  
Wednesdays, 6:20-8:00 pm  
12 Weeks January 11 – March 28

Join the First Place 4 Health community of men and women pursuing lasting change from the inside out as we seek to surrender our mind, body, emotions and soul to Jesus Christ. The program includes daily Bible study, prayer and scripture memorization with emphasis on healthy lifestyle choices! Sessions include small-group discussions, support and prayer time.

First Place 4 Health National Director Carol Lewis says, "When I try to do things on my own, it's like rowing a boat with one oar – I just go in circles. With Christ, we row together in the direction He wants for me!"

Please register by January 11.

To register, contact Arlene at 860-529-1575, ext 211, or arlenee@firstchurch.org.
